"Our main goal will be to continue adding happy clients to our portfolio, as it has been until today."

"Bugüne kadar olduğu gibi bundan sonra da portföyümüze mutlu müşteriler eklemeye devam etmek temel amacımız olacaktır."

Capt.Osman YARKIN

FREIGHT FORWARDING

CONTAINER (SEA)

As MODA, we are working to provide our customers with the highest quality service at the most reasonable prices thanks to the agreements we signed with our wide-ranging ship-owners and our extensive agency network all over the world.

Our sea service consist of FCL, LCL Container, import/export, Special container solutions, Opentop, Flatrack, Reefer, ISO Tank, Flexi etc. and more.

AIR

We offer alternative, economical and fast solutions with our direct flights by working in the field of air transport as well as container and combined transportation with our team having more than fifteen years of experience in the sector.
